

Arielle Thomas

Illustrator & Graphic Designer

Junior graphic designer with a lifelong love for fantastical worlds and immersive visual storytelling. Highly proficient with Adobe software, including Photoshop, Illustrator, and InDesign. Possesses strong design fundamentals and a passion for beautiful and functional packaging layouts. Has experience developing and iterating upon visual concepts based on client direction while working within project constraints.

Experience

Pet Portrait Artist

Freelance | Nov 2019 - Present

- Applied expertise in color theory and composition to ensure that all images are balanced and aesthetically pleasing.
- Iterated and refined creative concepts and designs based on feedback to meet precise client requirements.
- Managed full creative lifecycle - from client briefs to final delivery - developing effective client communication and project management skills.

Web Development Trainee

The Global Career Accelerator | Jan 2025 - Apr 2025

- Used HTML, CSS, Bootstrap, and JavaScript to create dynamic web applications, games, and other interactive, fully-functioning web experiences.
- Improved, redesigned, and added features to existing coding projects by utilizing developer documentation.
- Collaborated with a global team to solve creative problems.
